Race 5 - July 29th, 2009

Big thanks to Colin and Susan for Commissairing again tonight, good job. We had 47 brave racers, who didn't let the mixed weather scare them off. The course was very wet and slick in some spots, but there was no rain during warm up or during the race. The course was a shorter loop again this, taking out most of the rooty sections, heading clockwise. Thanks to Luc A, JP Peters & Cat H taking down the signs, Jane B for sign in & set up. **Don't miss the final race on August 12th for draw prizes and more good times. (You've got to be there to win.)**
